

Faith & Family Days

Dear Families,

I hope your family benefited from the information we shared last year and the time spent together.

Faith and Family Days will be held on one Sunday each month. We will all come together for class, this includes: dad, mom, students and siblings of all ages. Everything we do on these Family Days is geared for family involvement, so it is especially important that you come or send another special adult on these days.

Our hope is that all families will be able to enjoy each other's company and that the content of the monthly programs will enhance the way we understand, share, and live our Catholic faith.

Family days will be at the normal RE class time 9:45 AM - 10:55 AM on the Sundays listed below. We will meet in the cafeteria on these days.
